LOVE MY SKIN CARE ROUTINE
"Salicylic Acid will help clear and prevent breakouts."

"Our 2-in-1 Face Wash Toner is my favourite product! Addressing acne-prone skin with Aloe Vera, Tea Tree Oil and Green Tea Extract for a revitalized, clearer complexion, boosting my self-image along the way."

Willa-Lisa Krause, 16

CLEAR SKIN Acne Supplement

Why we ♥ it:

Helps maintain healthy, clear skin and reduces breakouts. Boosts skin health from within. Formulated for acne-prone skin with Echinacea, Vit A, Vit C and Zinc.

STEP 1 & 2 Cleanse & Tone

- Anti-Acne 2-in-1 Face Wash & Toner 200ml R450.00 N\$450.00

Suitable for normal, combination and oily skin types.

Skin conditions:
Acne and pigmentation

Foaming face wash that cleanses and balances skin's pH. Helps control excess oil production in the skin. Elevate your skin care with our 2-in-1 Face Wash Toner, crafted for acne-prone skin. Aloe Vera Gel soothes and replenishes, Tea Tree Oil battles acne and aids healing, while Green Tea balances sebum production.

KEY INGREDIENTS

ALOE VERA GEL

Aloe Vera Gel, rich in vitamins, amino acids, and minerals, soothes irritation, softens skin, and helps with acne-prone skin, even showing potential to reduce inflamed acne lesions when used regularly.

TEA TREE OIL

Tea Tree Oil in our 2-in-1 Face Wash Toner targets acne-causing bacteria and regulates sebum, while also aiding scar tissue formation for enhanced healing.

GREEN TEA EXTRACT

Green Tea Extract in our formula offers potent antioxidants that prevent inflammation, reduce pigmentation, and regulate sebum for comprehensive acne-care.

Clear Skin Acne Supplement

R300.00 N\$300.00

Helps maintain healthy, clear skin and reduces breakouts. Boosts skin health from within. Formulated for acne-prone skin with Echinacea, Vit A, Vit C and Zinc.

Skin care for all ages to balance oil and clear acne. Contains ingredients like Salicylic Acid, Willow Bark, Tea Tree oil and Green Tea that combat acne and other inflammatory conditions.

See the amazing results after just a few weeks!

Acne, marked by spots and pimples, is an inflammation-related skin condition affecting both teens and adults due to hormones, stress, potentially causing scarring.

STEP 3 Moisturise SERUMS

- **Anti-Acne Night Moisture Serum 50ml**
R\$15.00 N\$15.00

Suitable for normal, combination and oily skin types.

Skin conditions:
Acne, ageing and pigmentation

Night-time treatment with Salicylic Acid to combat acne, balance skin's pH and restore moisture balance. Our acne serum synergistically combats acne and improves skin texture. Salicylic acid cleanses pores and reduces ageing signs, niacinamide enhances texture with antioxidants and REGU-SEB balances sebum. Green Tea extract, aloe vera gel and essential oils add anti-inflammatory benefits for clearer, smoother, healthier skin.

"Soothes skin inflammation, hydrates without adding oil."

MOISTURISE

- **Anti-Acne Daily Calming Lotion 50ml**
R\$60.00 N\$460.00

Suitable for normal, combination and oily skin types.

Skin conditions:
Acne, pigmentation, eczema and psoriasis

A soothing lotion that calms and nourishes inflamed skin. Featuring Panthenol for growth, Allantoin for relief, Rosehip Seed Oil for inflammation and a blend of calming ingredients like Calendula, Aloe Vera, Chamomile, Bisabolol and Green Tea. Hyaluronic Acid enhances elasticity and Vitamin E protects from UV damage, for revitalized skin.

* Contains Acne friendly oils.

KEY INGREDIENTS (15 Active Ingredients)

SALICYLIC ACID

This beta hydroxy acid is oil-soluble and effectively penetrates the skin pores, exfoliating the pore lining to unclog pores. It also helps reduce the appearance of fine lines, wrinkles, sun damage and age spots.

NIACINAMIDE (VITAMIN B3)

Niacinamide promotes protein synthesis, improving skin cell metabolism and texture. It possesses antioxidant and anti-inflammatory properties, fading age spots and pigmentation. It also has anti-ageing benefits, making the skin appear youthful.

REGU-SEB (Serenoa Serrulata Fruit Extract and Sesamum Indicum Seed Oil)

This natural bioactive complex balances and mattifies oily skin, regulating sebum production by inhibiting 5 α -reductase. It helps maintain a natural look while combating excessive oiliness.

BEFORE AFTER

KEY INGREDIENTS (11 Active Ingredients)

PANTHENOL (Vitamin B5)

Panthenol promotes skin cell growth, enhances moisture, and calms irritation, making it an essential component for a soothing skin care regimen.

ALLANTOIN

With properties to reduce irritation and aid in shedding dead skin cells, Allantoin contributes to a healthier complexion.

ROSEHIP SEED OIL

Rosehip Seed Oil's Vitamin A precursors combat inflammation by neutralizing free radicals. Its linoleic acid content aids in skin cell shedding and moisturization, offering comprehensive skin care benefits.

SPOT TREATMENT

- **Spot Repair Treatment 30ml**
R\$05.00 N\$405.00

Suitable for normal, combination and oily skin types.

Skin conditions:
Acne and pigmentation

Elevate skin care with our Spot Repair Treatment. Salicylic Acid, Tea Tree Oil and essential oils combat acne and other inflammatory conditions. Salicylic Acid prevents breakouts. Lavender aids healing and Eucalyptus fights infections, all for radiant skin.

Weekly Routine

- **Anti-Acne Salicylic Acid Exfoliating Mask 100ml**
R\$15.00 N\$15.00

Skin types: Normal, combination and oily skin types

Skin conditions: Acne and pigmentation

KEY INGREDIENTS (4 Active Ingredients)

NIACINAMIDE (Vitamin B3)

Niacinamide leads our Acne Peel-Off Mask, promoting skin cell metabolism for improved texture and a youthful appearance. It offers antioxidant, anti-inflammatory benefits and reduces age spots and pigmentation.

SALICYLIC ACID

At the core, Salicylic Acid deeply cleanses pores, exfoliates pore linings and addresses acne, fine lines, wrinkles and age spots.

ALLANTOIN

Completing the trio, Allantoin soothes, promotes shedding of dead skin cells and minimizes scarring.

- **Purifying Clay Mask 50ml** R\$45.00 N\$345.00

Skin types: Normal, combination and oily skin types
* Can be used daily by oily skin types

Skin conditions: Acne, pigmentation and ageing.

Excellent deep cleansing treatment. Refines skin texture, exfoliates, absorbs excess oil, purifies and leaves skin soft and smooth.

KEY INGREDIENTS (4 Active Ingredients)

SALICYLIC ACID

A potent beta hydroxy acid, Salicylic Acid penetrates skin pores, effectively exfoliating pore linings, aiding in unclogging pores and reducing the appearance of fine lines, wrinkles, sun damage and age spots.

TEA TREE LEAF OIL

Exhibiting antibiotic activity against acne-causing bacteria, Tea Tree Oil regulates sebum production, promoting balanced skin and aiding scar tissue formation for healing.

LAVENDER OIL: Lavender Oil offers anti-inflammatory benefits that aid in calming irritated skin caused by acne lesions. Its regenerative properties support healing, contributing to the skin's recovery process.

EUCALYPTUS LEAF OIL: Known for its healing benefits, Eucalyptus Oil helps combat infections and tones oily or acne-prone skin.

Peel-off mask that combats acne and other inflammatory conditions. Removes excess oil and exfoliates dead skin cells from the surface of the skin.

* May cause skin shedding.

KEY INGREDIENTS (4 Active Ingredients)

BENTONITE: Clay with absorbing and exfoliating properties, drawing out impurities and excess oil from the skin.

KAOLIN: A natural mineral that cleanses and exfoliates, ideal for reducing surface oil and revealing smoother skin.

WITCH HAZEL: Versatile, calms acne and sunburn with gentle toning and antioxidants.

ALLANTOIN: Soothes skin, reduces irritation, aids scar reduction and improves skin texture.
